

Cube 360

3D medium screen advertisement that simulates the inside of a cube. A different image can be included on each side, and thus, combined, generate a multi-product format. Recommended for multi-product ads, branding campaigns that have great visual content.

Format dimensions

- 300x300 px.

Requirements

- Send a brief detailing what is going to be shown on each of the six internal faces (characters, products, contact, etc).

Specs for Logans development

- KV editable in .PSD or .AI format with links or embedded images preferably vertically larger than 300x300 px.
- Fonts used.
- High quality images, videos and logos.
- Animation reference on links or HTMLS.
